DR. ISRAEL DELEMASTER'S

**NERVE & BONE RHEUMATIC LINIMENT AND INDIAN SPECIFIC.**

A warranted cure for Inflammatory and Chronic RHEUMATISM.

It gives immediate relief, and strengthens weak limbs, it extends contracted cords, cures all numbness, takes down swellings, and removes inflammation.

It is frequently urged that this Liniment cannot be used in the most severe affections, but entirely curcifies external and internal remedies, used at the same time. This the proprietors of the Liniment and Specific is prepared to prove to the entire satisfaction of every one who is affected with this most distressing complaint, by a literal and unequivocal statement, that whenever he uses it, in any of the above mentioned affections, it will cure them, and not only so, but will do so, without any violent or disagreeable effects.

It will cure any sore that can be cured at all. It will take off inflammation, and take down swellings; and by thorough friction over the parts externally, will by counter irritation, remove inward sorrows to the surface.

A YOUNG WOMAN, for years affected with a running sore, called a teat, cured by the use of this Liniment in about three weeks.

A CHILD, with great hoarseness and difficult breathing, relieved and cured by rubbing it well on the chest and stomach, and covering a flannel with the Liniment and laying it over him.

A JEWESS, of course, had piles several months

without knowing the name of her complaint; but she was cured by this Liniment.

Have you Corus on your feet? If so, eat them we apply this Liniment and it will generally cure them.

Have you itching or irritation of any part? Then apply this Liniment thoroughly and it will cure you.

Have you fresh wounds of any kind? Sprinkle the Liniment on them and keep it bound on the parts, changing daily, and you will find fresh health in a short time.

Have you an old sore that won't heal? Keep the Liniment on it, renewing it daily, and it will soon heal from the bottom.

Have you the Tetter? If so, apply the Liniment every morning and evening, washing every third day with castile soap, and removing the scurf from the surface of the skin.

If you have a pain in your Breast or side? If so, apply this Liniment and it will generally cure them.
